What will you be doing this summer?
Superior materials and renowned durability,
The **V7 Steel Series** brings you the ultimate in
steel pools. Take pride in owning a quality steel
pool that is built for the long haul!
The entire steel structure is coated with a
combination of protective finishes, ensuring
maximum resistance to corrosion and
providing optimum durability.

Your above ground pool is designed to provide years of pleasure and safe family fun, so water safety practices should be strictly followed and enforced. Your pool contains shallow water, which makes diving or jumping unsafe. Diving or jumping into shallow water can lead to severe injury or death. Please observe the safety precautions that were provided to you when you purchased your above ground pool and conform to all local regulations.
