

Summer is a time to enjoy quality time with your family and friends. Our swimming pools are designed to enhance your backyard enjoyment.

Our **High End Steel Series** has been designed to integrate state of the art technology with the latest design trends. Bringing you the creation of technologically and aesthetically superior above ground pools.

We bring technology and design together.

3571 US Highway 20

Nassau, NY 12123

Your above ground pool is designed to provide years of pleasure and safe family fun, so water safety practices should be strictly followed and enforced. Your pool contains shallow water, which makes diving or jumping unsafe. Diving or jumping into shallow water can lead to severe injury or death. Please observe the safety precautions that were provided to you when you purchased your above ground pool and conform to all local regulations.
